

I listen carefully to the person speaking	I sit still in lessons	I help out at home and do a few jobs	I push chairs in under the table	I enjoy meeting people from different cultures and backgrounds
I want to be healthy and fit.	I take care of my friends and help them if I can	I try to keep myself safe	I try to get to bed and have a good night's sleep	I enjoy being with my friends
I try to eat fruit and vegetables every day	I like being on the school council - my opinions count	I do clubs after school	I keep the scissors on the table in the pots	I turn the lights off when I leave the classroom
I help at home to earn money for a comic	If I am feeling sad I talk to a friend or teacher	I ask my friends if I can help if they are unhappy	I like it when I work to raise money for charity	I try to come to school every day on time
I try to use words that are kind, thoughtful and true	I think about what I buy and decide if it's worth the cost	I help to tidy my friend's room when I have been to play	I try to behave well to get the most out of school	I like having friends
I do not talk to strangers. People are introduced to me	I stand calmly and still when a dog I don't know walks past	I save pocket money to go to the shop to see what I can buy	I know people have different ideas to me and that is ok	I have a big tantrum if I don't get my own way
I shove people if they annoy me	I'll take money if there is something I want to buy	I sometimes shout out - my opinion is more important	I run down the corridor to get around school quickly	I like to distract others when they are working
I like to eat chips or sweets everyday	I like receiving awards for trying my best	I go to bed as late as possible it doesn't matter if I am tired	I like to run and skid on the floor in the kitchen	I jump down at least 6 steps of the staircase
I keep nagging my mum until she buys me toys	I do what people tell me even when I know it is wrong	I understand that some things are too expensive to buy	I like to play near the pond in the park	I don't share my toys and I will only play my games
